The New Brunswick  
Teen Apprenticeship Program

Connecting students to  
careers in the skilled trades

If you have an interest in a career in Autobody and Collision Technician, this position is for you. This is a unique opportunity to work with a highly skilled business in beautiful Fredericton, New Brunswick. **Please ensure that you have transportation to arrive to and from work.**

**To apply for this position, send your resume and cover letter, with references to [nbtap@gnb.ca](mailto:nbtap@gnb.ca)**

- Ensure your cover letter contains the Competition Number and Job Title for this opportunity.
- Provide three references with their full contact information (first and last name, email, and phone number)
- Indicate two other skilled trades areas of interest, to ensure that we might be able to accommodate you within another employment area, if unsuccessful.

## Company Profile.

Founded in 2002 by a group of four successful collision repair owners, CSN Collision Centres was established to assist independent collision repair facilities to improve their operations through performance assessments, ongoing training, and marketing initiatives. Today, CSN Collision Centres is one of Canada's most advanced networks of independently owned and operated collision repair facilities. Their independence is their strength in that their licensees have a vested interest in the company and their communities. CSN Dana's in Fredericton is a locally owned and operated collision repair facility, established in 1979. Customer service has been the cornerstone of this business for over 40 years. Their promise to their customers is to repair their vehicle as if it was their own – with safety, care and integrity. Their repairs are carried out by highly skilled licensed professionals and trained technicians, using modern equipment and materials so their customers can get back on the road safely.
